Message

From the Desk of PRESIDENT

On behalf of the President, it is with great pleasure that we present to you the BHARAT GAURAV Award Coffee Table Book, which proudly embodies the glory of India. A true leader embodies glory and is someone who, with their vision and power, leads the way to optimal levels. We are honored to present this book to a charismatic overseer like you.

This book highlights the renowned luminaries of India to the world and serves as a guiding light and motivational tool for the youth. Although I felt that writing this book required greater skills than I possessed, I recognized its importance and considered it an honor to attempt it. I prayed earnestly for the courage and stature to complete it.

Having spent long hours with the achievers, I discovered that these leaders have an intuitive connection with humble and simple people, which is a reflection of their own simplicity and innate spirituality. For me, this book was a pilgrimage to icons of success and fame, and I was blessed with the realization that the true joy of living can be found in one's communion with the eternal source of knowledge hidden within oneself.

The lives and achievements of us Indians have convinced me that this hidden celestial knowledge is present in every individual and is waiting to be discovered. Although you may never meet our Bharat Gaurav Awardees in person, we hope that you will enjoy their company through this coffee table book.

Best wishes

Pt. Suresh Mishra

Ek Mutthi Anaj

Sanskriti is a well-established social organization in Rajasthan that aims to create a healthier, cleaner, and greener India while also promoting the country's rich traditions and culture to the youth. Under the guidance of its president, Pt. Suresh Mishra, Sanskriti conducts various social campaigns and activities.

During a severe drought in Rajasthan, Pt. Suresh Mishra initiated a program called "**Akaal Ka Ilaj- Ek Mutthi Anaj**," which encouraged households to donate a handful of grain to emphasize the importance of collective and community-based efforts in alleviating hardships. The program was concluded in the presence of dignitaries such as His Excellency Ex-Governor of Rajasthan Shri Anshuman Singh, and Chief Minister Ashok Gehlot.

Say No to Liquor

The **Sanskriti Yuva Sanstha** has been actively promoting a healthy lifestyle by advocating against the consumption of liquor for the past 24 years. Through our flagship program "Daru se Nahi Dudh se Kare Navavarsh ki Shuruat," which is organized at the state level, we encourage the people of Rajasthan to shun alcohol and instead start their New Year on a positive note with milk.

Helping Hands

1. **5,000 Student scholarship program** : We feel privileged to reward scholarships to the deserving students, who for some reasons are deprived of resources, so that the world keep receiving from them.
2. **Development of slums** : We believe that all mankind should be given a chance to live in hygienic conditions.
3. **Keep your city clean** : To be dwellers of a clean city, many awareness programs are brought into action, with a dream of being an ideal.
4. Following our belief, we organised certain camp and programs with the target of bringing about development in the slums. And for this the foremost requirement is being literate.

Hanso Jaipur

At the Sanskriti Yuva Sanstha, we are dedicated to promoting laughter therapy, which is why we organize an annual event called "Hanso Jaipur" in Jaipur. This event invites people to experience the joy of laughter in a supportive and positive environment. We are thrilled to welcome several distinguished guests to the event each year, including Bollywood star Vivek Oberoi and renowned poets such as Surendra Sharma and Sanjay Jhala, among many others.

The capacity to laugh frequently and effortlessly is a valuable asset for overcoming challenges, enhancing relationships, and supporting physical and emotional wellbeing. The best part is that this natural medicine is not only effective, but also enjoyable, free, and easily accessible.

Rajasthan Gaurav

From last 28 years, The **Sanskriti Yuva Sanstha** has been organising “**Rajasthan Gaurav**” felicitation program at the State level. In this award function, people from Rajasthan who have achieved a landmark in their province and made Rajasthan proud, are being awarded.

Sanskriti got a privilege of felicitating the contribution of great personalities in different domains and honored by the ex-President of India, Smt. Pratibha Devi Singh Patil, Major Rajyawardhan Singh Rathore, Kalraj Mishra (Governor of Rajasthan) and others.

Dr. Bindeshwar Pathak - Padma Bhushan

Sulabh International

"Sulabh had its genesis in my resolve to free the country from the dual scourge of untouchability and open defecation. While one scarred the conscience of an otherwise great civilization we are, the other played havoc with the health and hygiene of its citizenry. My invention of a two-pit, ecological, toilet system, a veritable mass technology, knocked the bottom out of the civilizational problems of our times. The pay-toilets infrastructure that I established gave the country, India an order of public hygiene. And the result is that by even a conservative estimate, the technology now touches the lives of 10% of humanity on the planet besides having liberated millions from their caste-imposed, abominable work. I drew my drive and verve to accomplish my lifelong mission from Gandhiji and am carrying forward full-steam the agenda."
